International Women's Day is celebrated across the world on March 8. It's a day to appreciate women in your lives and also celebrate their achievements. It is a day that merges hope, reflection and a celebration of gender parity in all walks of life. This is a day that has been observed since the early 1900s and has since then grown from strength to strength every year.

The Pan African Lawyers Union, has a contributory bulletin, that features some the Women Life Members that continue to make a difference with their work to the people around them.

La Journée internationale de la femme est célébrée dans le monde entier le 8 mars. C'est une journée pour apprécier les femmes de votre vie et pour célébrer leurs réalisations. C'est un jour qui allie espoir, réflexion et célébration de la parité hommes-femmes dans tous les domaines. La célébration de cette journée a commencé au début des années 1900 et prend de l'ampleur au fil des ans.
